

MAGMA[®]

Del Mar[®] Gas Grill

*American Culinary Institute
"Award of Excellence"*

Reputation...Stainless

Magma has been building barbecues for use on the open seas for over 25 years. Our marine models are the choice of countless yachtsmen worldwide.

*American Culinary Institute
"Award of Excellence"*

Executive chefs of the American Culinary Institute deemed the Del Mar to be a superior product based on its function, ergonomics, durability and design.

U.S. Patents 6,253,760

Performance and Style

QUALITY, QUALITY, QUALITY

These professional quality grills are tough enough to stand the rigors of any environment yet, they are superbly stylish and aesthetically pleasing. No unsightly tanks or hoses.

HIDEAWAY SINGLE KNOB DESIGN

- *Dependable Piezo Igniter system. On, light and adjust in one easy motion*

100% ALL STAINLESS STEEL BARBECUE

Exterior Stainless Steel is 18-9 grade mirror polished for the ultimate in corrosion resistance and long lasting beauty.

- *The interior Stainless Steel is 18-8 grade burnished for strength and durability.*

NO LARGE PROPANE TANK TO LUG, CARRY OR REFILL

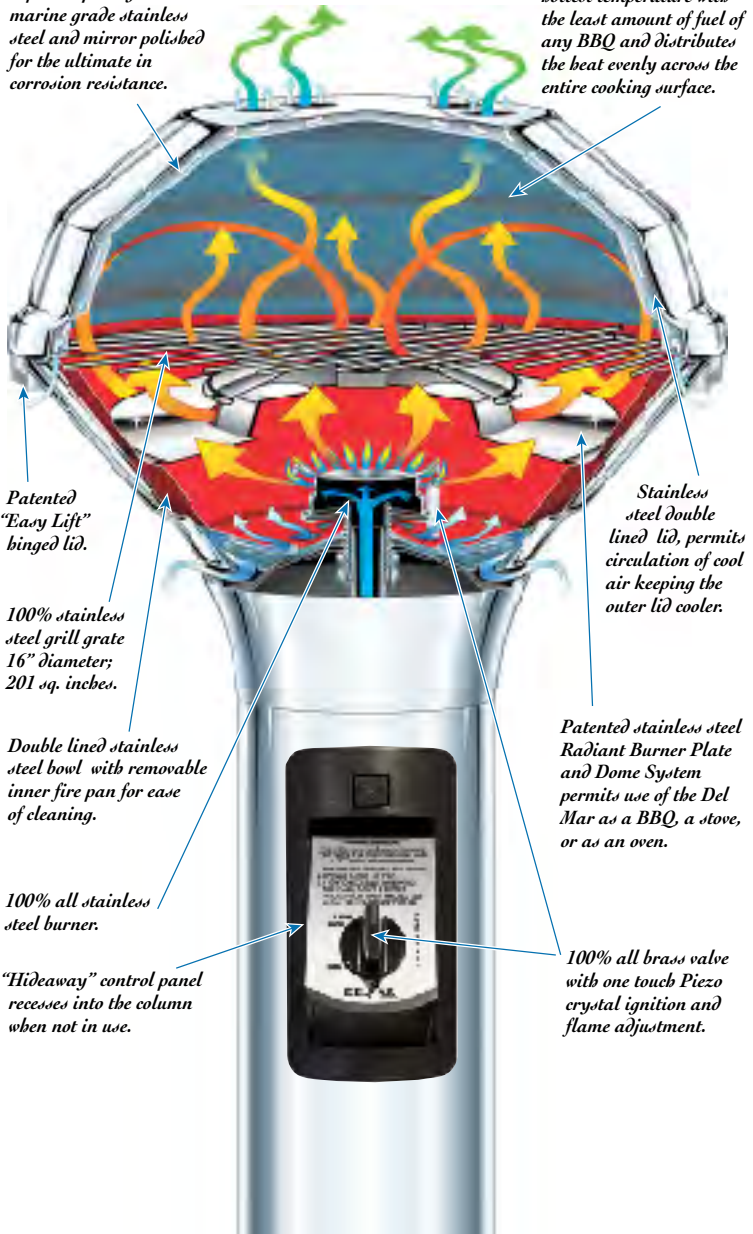

Uses inexpensive lightweight disposable propane canisters, which are readily available in hardware stores, sporting goods stores, or supermarkets. Each canister provides up to 4 hours continuous use. Canister swings out for easy replacement.

in a streamline barbecue

The Del Mar™ Advantage

Entire BBQ is made of superior quality 18-9 marine grade stainless steel and mirror polished for the ultimate in corrosion resistance.

Magma's patented "convection" design gives the hottest temperature with the least amount of fuel of any BBQ and distributes the heat evenly across the entire cooking surface.

Patented "Easy Lift" hinged lid.

100% stainless steel grill grate 16" diameter; 201 sq. inches.

Double lined stainless steel bowl with removable inner fire pan for ease of cleaning.

100% all stainless steel burner.

"Hideaway" control panel recesses into the column when not in use.

Stainless steel double lined lid, permits circulation of cool air keeping the outer lid cooler.

Patented stainless steel Radiant Burner Plate and Dome System permits use of the Del Mar as a BBQ, a stove, or as an oven.

100% all brass valve with one touch Piezo crystal ignition and flame adjustment.

*perfect for use on small
patios and balconies.*

PERFORMANCE

Exclusive Patented Radiant Burner Plate system permits use of the Del Mar as a BBQ, a stove, or even as an oven.

- *Quickly comes to temperature for fast efficient cooking.*
- *Bowl design generates even cooking temperatures across the grill surface. **Grilling Area:** 16" diameter grill.*

ENJOYMENT, RIGHT OUT OF THE BOX

Comes fully assembled. Just attach a lightweight screw-on propane canister and you are ready to grill. No clumsy tools, no hard-to-follow instructions. Instant entertainment.

STORABLE & ADORABLE

Small enough to move when not in use. Optional covers guaranteed not to fade or shrink for 5 years in your choice of popular colors (can be left outside all year round).

CONDO, BALCONY, & PATIO PERFECTION

Takes up very little room on a small balcony, a patio, or in a garden setting.

- *Will not overwhelm your outdoor environment.*
- *Compliments any outdoor décor*
- *Ideal for dinner parties, garden parties or any type of alfresco entertaining*
