

The Magma Advantage

“Marine Kettle”® Combination Stove & Gas Grill

A10-008 & A10-018

- 1 100% 18-9 mirror polished stainless steel construction.**
For long lasting beauty and superior corrosion resistance.
- 2 Burner & hi tech radiant plate & dome heat distribution design. Less flare up, even heat distribution & longer grill life.**
Allows use as a grill, stove or oven. Perfect even heat as a grill, direct open flame cooking as a stove.
- 3 Attached grill and lid.**
Lid acts as windshield in gusty wind conditions.
- 4 Combination “easy-to-clean” grease catch pan/wind baffle.**
Keeps the wind gusts out while keeping the flames and grease in.
- 5 Magma’s patented design fully utilizes both radiant and convection cooking.**
Quickly comes to temperature then heats the entire grill surface evenly while using the least amount of fuel.
- 6 Fully Double Lined Stainless Steel Inner Safety Shell.**
Cooler for safety. Guards against discoloration. Adds years of life to the grill.
- 7 Newly designed, swiveling, windproof turbo venturi & control valve. Virtually eliminates blow-outs.**
Places the fuel & valve where it is convenient to you. Allows safe and easy fuel changes.
- 8 Uses standard, disposable 1-lb. propane canisters or adapts to on-board LPG (propane) or CNG (natural gas) systems.**
- 9 Magma offers the largest selection of mounting options and accessories.**
To customize your grill to your boat.
