

The Magma Advantage

“Marine Kettle”[®] Gas Grill **A10-105AU-3**

- 1 100% 18-9 mirror polished stainless steel construction.**
For long lasting beauty and superior corrosion resistance.
- 2 Newly designed, swiveling, windproof turbo venturi & control valve design.**
Virtually eliminates blow-outs. Places the fuel & valve where it is convenient to you. Allows safe & easy fuel changes.
- 3 Burner & hi tech radiant plate heat distribution design.**
Less flare up, even heat distribution and longer grill life.
- 4 Magma's patented design fully utilizes both radiant and convection cooking.**
Quickly comes to temperature then heats the entire grill surface evenly while using the least amount of fuel.
- 5 Attached grill and lid.**
Lid acts as a windshield in gusty wind conditions.
- 6 Combination “easy-to-clean” grease catch pan/wind baffle.**
Keeps the wind gusts out while keeping the flames and grease in.
- 7 Uses on-board LPG (propane) or CNG (natural gas) systems.**
- 8 Magma offers the largest selection of mounting options and accessories.**
To customize your grill to your boat.
