

The Magma Advantage

“Marine Kettle 2”® Combination Stove & Gas Grill

A10-207NZ-3 & A10-217NZ-3

- 1 Entire grill is 100% mirror polished 18-9 stainless steel construction.**
- 2 NEW Balanced Hinged Lid.**
Will not slam shut as the boat rolls.
- 3 Fully double lined stainless steel inner safety shell.**
Stays cooler for safety. Guards against discoloration. Adds years of life to the grill.
- 4 NEW Redesigned control valve/regulator.**
Allows precise temperature adjustment.
- 5 NEW Windproof Swiveling Turbo Venturi Tube.**
Virtually eliminates blow-outs.
- 6 NEW Cast 18-9 stainless L-Bracket mount clamp.**
Indexed for easier, positive no-slip level mounting.
- 7 Combination grease catch pan/wind baffle.**
“Easy to Clean”. Keeps wind gusts out, keeps grease in.
- 8 NEW Reliable Piezo Igniter.**
For easy, dependable push button lighting.
- 9 NEW “Stay Cool” 18-9 cast Stainless handle.**
With air cooled supports.
- 10 Magma’s patented design.**
Creates fast, efficient convection cooking.
- 11 NEW Heavier gauge stainless steel and brass burner design.**
- 12 NEW Burner & heat distribution design.**
Uses patented hi-tech radiant plate & dome system. Less flare up, even heat distribution & longer grill life. Allows use as a grill, stove or oven.
